

## Accidents at Work

If you're employed, your employer has a duty to provide you with a safe place and safe system of work, whatever your job.

If your employer has failed to meet these duties, and you have been injured as a result, you are likely to be entitled to recover compensation.

We have experience in dealing with a wide variety of claims against employers, including:

- ⦿ Faulty or inappropriate equipment or machinery
- ⦿ Unsafe work places
- ⦿ Manual handling and lifting accidents
- ⦿ Accidents in construction industry
- ⦿ Attacks by patients on employees in the healthcare industry
- ⦿ Failures to provide appropriate training or protective equipment

Contact us today for a free initial consultation to see how we might be able to help you recover compensation following a workplace accident.
